Point Perfect Transcription Services (India) Pvt. Ltd

"We push the limits of perfection."

"WE PUSH THE LIMITS OF PERFECTION."

Vision and Mission Statement:

PPTS' vision and mission is aimed at becoming the Most Preferred Outsourcing Solutions Provider in the healthcare space to not only Fortune 500 companies globally but also to small, medium, and micro level organizations.

To provide the Best, Flawless and Prompt Services to clients alike – be it small companies or global giants.

To be the Most Employee-Friendly Company and provide a total "Quality of Life" to our employees so that they can deliver work with a very broad smile.

To achieve the above mission we possess the requisite talent and a highly trained and forward thinking team of determined professionals.

Motto:
"Quality and Client Satisfaction over everything else."
 True to our name, we imbibe the prerequisites of "pin point perfection" in every project we undertake and follow our motto to the dot.

Services Profile:

PPTS would prove a very good partner for you in the Knowledge Process Outsourcing (KPO) and Business Process Outsourcing (BPO) space. PPTS has a wealth of experience in providing services to various clients in multiple industry segments like Healthcare and Pharmaceuticals, Biotech and Life Sciences, Banking and Finance, Stock Markets, Agriculture, Real Estate, and Education.

Toward this direction, PPTS' has endeavored into a single package solution to clients called "Business Optimization Process." This is a model which is a complete end-to-end solution for clients. The ideology of the model is that PPTS team does all the background work as regards to New Leads Generation, Current Customer Satisfaction Optimization, Business Research and Analysis, Sales and Revenue Generation, etc. through an outsourced model. This allows clients to concentrate on their core business segment and not worry about the simple fundamentals nor the finer aspects. Thus not only do clients achieve a growth rate that can be doubled as you have a strong PPTS team backing you, but also significantly reduce operating costs and thus achieve higher profits.

Some of the areas of expertise that PPTS specializes in but not limited to are:

Clinical Data Research – Pharmaceuticals & Healthcare
 PPTS provides Internet Research and Analytics support to multiple global clients in the Pharmaceutical industry that help hasten biotech research in drug development on a far thinner budget.

Data Mining and Analytics – Any Market Sector:
 PPTS team provides mined, cleaned, and useful data to clients which provide deep insights into the competition, market capitalization and penetration of any market domain. Current clients include Real Estates and Janitorial Services, Students doing Doctorate and Thesis Related Research, Law Firms for Financial Crime and Intellectual Property Rights (IPR) and Agriculture.

Translation Services:
 PPTS team provides translations from 15 different languages to English and vice versa. The language experts portfolio includes almost all major European Languages - Russian, French, Spanish, Portuguese, Italian, Polish, and Persian, Arabic and Indian.

Stock Market Analysis – Banking & Finance:
 PPTS works with clients who are Investment Bankers, Mutual Funds Investors, Stock Brokers, etc. in provide prediction analysis tools and guides in order to maximize their stocks and investments.

Transcription – Medical, General, and Legal:
 PPTS provides specialized Transcription services to Hospitals and Clinics in USA in Cardiology, Psychiatry, Orthopedics, and General Medicine at quick turnaround times and utmost quality so much so that we have a studious clientele for more than 10 years. PPTS' other prestigious clients spanning Legal Financial, and General Transcription include dictations from the World Bank, Focused Group Discussions of top companies, Hollywood Movie Subtitling, assisting top authors with their books.
